

# Tibetan Language Workshops in Los Angeles

**With Lama David Curtis**  
**May 26-27: Introduction to Tibetan**  
**June 2-3: Reading/ Translating the *Heart Sutra***

David Curtis of the Tibetan Language Institute will be returning to the Los Angeles area again this May and June to teach two weekends of Tibetan. Please join him for this excellent opportunity to learn to read the Tibetan script and begin the inspiring journey that will enhance your Dharma study and practice.

"Lama David Curtis is one of the excellent teachers for Tibetan Language. Not only does he have profound knowledge of the Tibetan language but he also understands the depth of Buddhism from study and practice. David...has achieved successful results with many people. I don't think there is anyone who is doing work in this area in the west as successfully as David."

--Anam Thubten Rinpoche  
(Tulku Thubten Rinpoche)

**Come for one or both days of either workshop.**  
**Learn Tibetan in a supportive Dharma atmosphere.**  
**Auditors welcome in the reading/translating workshop.**

## To pay by Paypal

Please fill out the above registration form and send it to the Tibetan Language Institute.

- If you are attending one entire weekend workshop, the total is \$170.00.
- If you are attending both weekend workshops, the total is \$310.00
- If you are a partial attendee, please figure your amount due.

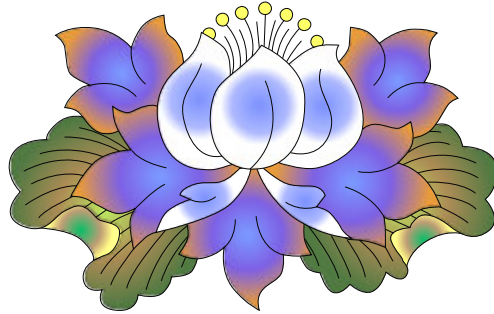

If you do not already have a Paypal account, it is very easy to set up as you go through the checkout procedure.

Please go to the TLI website at [www.tibetanlanguage.org](http://www.tibetanlanguage.org). On the homepage's sidebar, scroll for the topic "Instruction." It will say "NEW! Pay for classes online! Click here." This is where you click and enter the amount. Please be sure to fill in "LA Workshop Level I, etc" If you are registering for a particular session, please note which one you will be attending.

We would also welcome any donation you might like to include (this would be tax-deductible)--this would help us offset the cost of using Paypal. Thank you!
